NEWS

## Puttin' On the Ritz

Achen-Gardner Construction has begun work on the **Roadway Improvements Related to the Ritz-Carlton CMAR** project for the Town of Paradise Valley. This second phase of the project includes roadway and wet utility improvements to Lincoln Drive, Mockingbird Lane, and Indian Bend Road near and adjacent to the Ritz-Carlton development. Crews will complete a full roadway reconstruction including a new signalized intersection at Lincoln Drive and Quail Run Road and a roundabout at Indian Bend Road and Mockingbird Lane. [Visit our website for more project information and photos.](#)

## New Catch Basins

We are reconstructing eight catch basins in various locations in the City of Tempe as part of our **Underground Utility Construction JOC** project. [Visit our website for more project information and photos.](#)

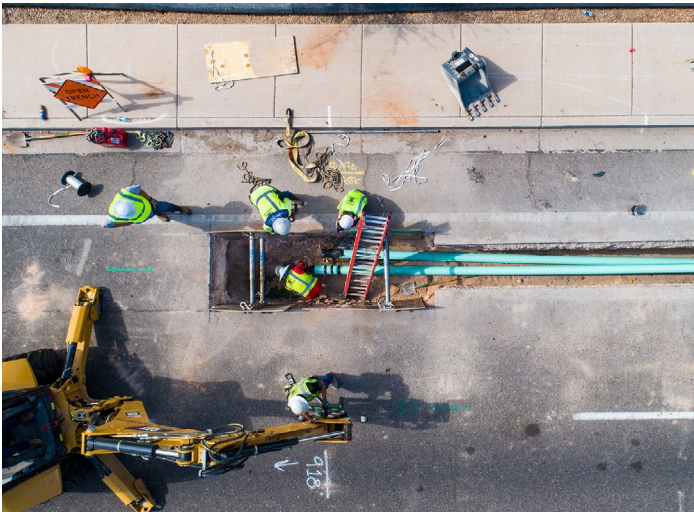

# AZ Water Award Winners

Two of Achen-Gardner's projects have been selected for awards from the AZ Water Association. Congratulations to the project teams!

Our **Salt River Siphon Repair Design-Build** project for Central Arizona Project has been selected as the AZ Water Association's Water System Project of the Year for 2020. This project included the most detailed assessment and coating repairs ever performed on a CAP steel siphon.

[Visit our website for more project information and photos.](#)

Our **Beardsley WRF Solids Pipeline Rehabilitation** project for the City of Peoria has been selected as the AZ Water Association's 2020 Wastewater System Project of the Year. This project involved the installation of the longest section of sliplied fusible PVC pipe ever completed in Arizona. [Visit our website for more project information and photos.](#)

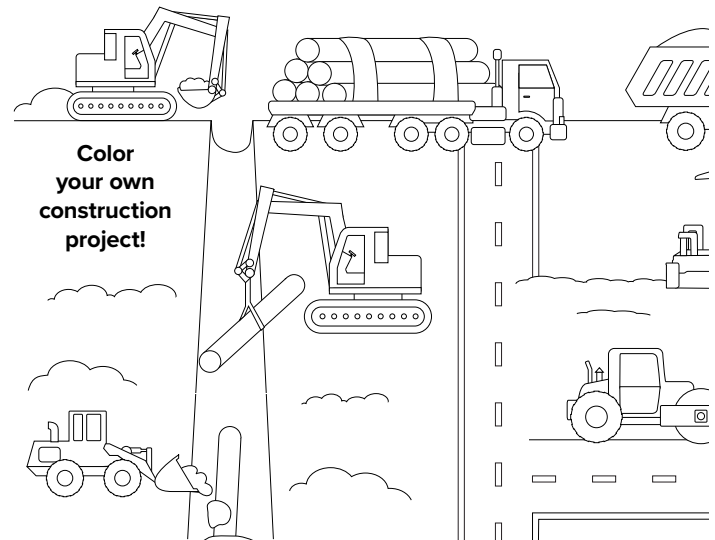

# COVID-19 Update

Achen-Gardner is committed to the safety and wellbeing of our employees as well as those of our public and private partners. We are dedicated to our projects' success and are working to ensure our projects are staffed appropriately and safely to meet project schedules. Achen-Gardner has put into place workplace safety measures consistent with CDC and OSHA recommendations, including bringing in hand washing stations, distributing hand sanitizer, encouraging the wearing of masks, and increasing work space sanitizing measures. Our office is temporarily closed to unscheduled visitors and virtual meetings are encouraged. We will continue to update our clients, colleagues, and friends as the situation evolves.

## Construction Activity Book

Looking for activities to keep kids busy at home? [Download and print our Construction Activity Book on our website.](#) Let's get to work!
