APRIL 2023 NEWSLETTER

Spring Cleaning/Rehabbing

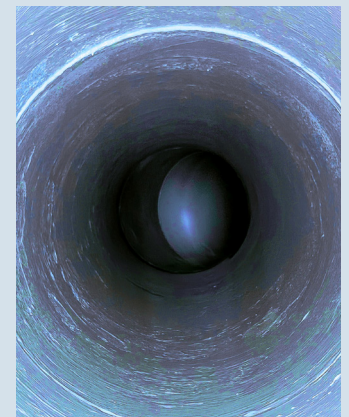

UV CIPP in Paradise Valley

We are currently rehabilitating more than 1,200 LF of 8" sanitary sewer utilizing our ultraviolet light (UV) cured-in-place pipe (CIPP) technology. This work is being completed in residential areas and in front of a school in Paradise Valley as part of our **Wet Utility Improvements JOC** project which includes water and sewer infrastructure improvements and repairs. [Visit our website for more project information.](#)

Spray Applied Pipe Lining in Chandler

Achen-Gardner recently worked with Sonoran to remove corrosion and rust from the reservoir and to rehabilitate nearly 100 LF of 24" pipe using a spray-applied pipe lining machine. This is the first large-diameter rehabilitation of this type in Arizona. This work was done on our City of Chandler **Arrowhead Water Production Facility Rehabilitation and Pecos Surface Water Treatment Plant Surge System DBB** project. [Visit our website for more project information.](#)

Paving in Progress

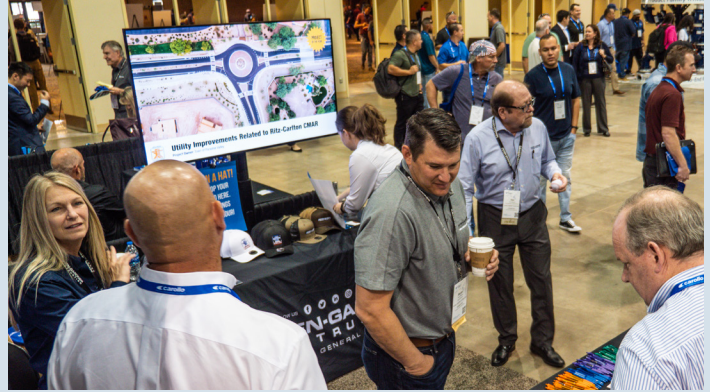

Raintree Drive Extension CMAR

Our crews have been paving Raintree Drive, Hayden Road, and 78th Way on our Raintree Drive Extension CMAR project for the City of Scottsdale. In total, the project includes more than 65,000 SY of asphalt. These photos show us self-performing this work using our new LeeBoy 8510E Asphalt Paver. [Visit our website for more project information.](#)

Conference Countdown

2023 AZ Water Conference & Exhibition

We are a Silver Sponsor at this year's AZ Water Association 96th Annual Conference & Exhibition on May 9-11. Check out our booth (#805) for a fun game, fantastic giveaways, project updates, and our freshly updated all-blue logo. This true blue logo is our new representation of our ever-growing and evolving company. We hope to see you there! [Visit the AZ Water Conference website for more information.](#)

New Pipe on Old Litchfield Road

Litchfield Square Infrastructure Improvements CMAR

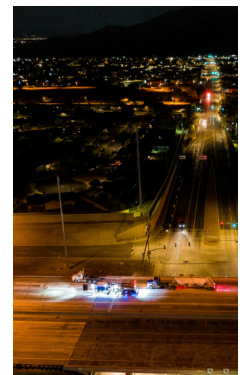

Our crews recently installed 1,451 LF of 36" RGRCP storm drain pipe and catch basins on Old Litchfield Road. These improvements will help control storm water and alleviate flooding. We maintained traffic flow and business access during construction. [Visit our website for more project information.](#)

Work Zone Safety

National Work Zone Awareness Week (April 17-21) is an annual spring campaign. We appreciate the support and recognition that comes from this week that encourages safe driving through highway work zones. Thank you to our safety team for making sure our job sites are safe and our crews go home to their families every night.

I-17 Grinding Update

Progress continues on the **Arizona Department of Transportation I-17 Dunlap Avenue to Deer Valley Road Pavement Rehabilitation** project. Our partner company Emery Sapp & Sons (ESS), is removing the existing asphalt pavement, repairing the existing concrete pavement, and diamond grinding existing concrete pavement to provide a smooth roadway surface. [Visit our website for more information.](#)
