NEWS

Life is a (Carefree) Highway

Achen-Gardner crews are installing more than 9,000 LF of 12" water line and more than 1,900 LF of 16" water line on Carefree Highway from Tom Darlington Drive to 60th Street. This work is being completed for the Town of Carefree and Carefree Water Company as part of our **Carefree Water Consolidation CMAR** project. More than 24,000 LF of water line improvements and the construction of a new water reservoir near the Boulders Resort and Spa will be included on this project. [Visit our website for more information and photos.](#)

Weathering the Storm

We were nearing completion of a portion of the 3.5-mile stretch of underground utilities for the City of Chandler as part of our **Chandler Heights Utility Relocations CMAR** project when a monsoon filled our 20-foot trenches with water. Our crews worked extended hours to get back on track and were able to complete this work safely, successfully, and on time. [Visit our website for more project information and photos.](#)

Pima County Emergency Repair

The north Tucson area was recently hit hard with several storms and Achen-Gardner crews were called to perform an emergency repair as part of our **Pima County Wastewater Conveyance System JOC**. We rehabilitated more than 3,400 LF of 8" sanitary sewer utilizing our exclusive ultraviolet light (UV) cured-in-place pipe (CIPP) technology. This work was performed through and along washes at the base of the Catalina Foothills and resulted in strengthening the sewer infrastructure and protecting Pima County assets. [Visit our website for more information and photos.](#)

Finishing Touches

The Town of Carefree's new 300,000 gallon, pre-stressed concrete reservoir is nearing completion. The reservoir is part of our **Carefree Water Consolidation CMAR** and will be entirely buried and covered in natural desert landscaping except for the top eight feet of the side facing Tom Darlington Drive. [Visit our website for more project information and photos.](#)

Raintree Update

Achen-Gardner crews are nearing completion on the Redfield Road and 76th Place roundabout as part of our City of Scottsdale **Raintree Drive Extension CMAR** project. [Visit our website for more information and photos.](#)

Achen-Gardner will be attending the "Everyday Superhero" themed **2022 Arizona Conference on Roads and Streets** at the El Conquistador Tucson on September 28-30. Visit us at our booth (#309) to see how our everyday heroes protect public health and safety and to get some cool swag!

Achen-Gardner is a local, employee-owned firm and a member of a nationwide family of contractors, of which Emery Sapp & Sons (ESS) is the flagship.

50 Years of Success

ESS is a 100% employee-owned multi-faceted contractor who thrives on delivering complex heavy civil projects. Achen-Gardner would like to congratulate them on their 50th anniversary in 2022.

WWW.EMERYSAPP.COM

Congratulations to ESS for winning the ADOT bid for Pavement Preservation, Phoenix-Cordes Jct Hwy (I-17): Dunlap Avenue to Deer Valley Road.
