## Volunteers Needed

The Ninth Annual Sky Kids Fly Day Event for Special Needs Kids will take place at Lux Air Jet Centers at the Goodyear Municipal Airport on March 26th. This event allows special needs children to experience the fun and excitement of flight. Achen-Gardner Construction has sponsored and supported Sky Kids for many years and we are once again proud to support this event. We invite and encourage all of our colleagues to consider participating and sponsoring as well. By volunteering to help all or part of the day you will be rewarded by seeing very special kids and their families have a day they will never forget.
