Paving in Scottsdale

Raintree Drive Extension: Scottsdale Road to Hayden Road CMAR

Achen-Gardner is placing more than 65,000 SY of asphalt on our Raintree Drive Extension CMAR project for the City of Scottsdale. These photos show us self-performing this work using our new LeeBoy 8510E Asphalt Paver. [Visit our website for more project information and photos.](#)

Storm Drain Install

Litchfield Square Infrastructure Improvements CMAR

Crews are currently installing 1,300 LF of 24", 30", and 36" storm drain in a residential neighborhood adjacent to the Wigwam Resort in the City of Litchfield Park. We are providing temporary water services for ten residents and the resort during construction. This was necessary because there is an existing Liberty Utilities waterline parallel with the new storm drain that needed to be shut down to avoid potential conflicts. [Visit our website for more project information.](#)

Tougher Together

Tough Mudder Arizona 2023

A group of Achen-Gardner employee-owners overcame muddy obstacles while accomplishing the Tough Mudder on February 18th at the Phoenix Raceway in the City of Avondale. Using teamwork, they were able to tough it out and complete the course. Way to go, team!
