NEWS

No Rivalry Here

Achen-Gardner is unique in having offices in Chandler and Tucson and we support our local communities in many ways, including college sports. We have a lot of passionate Arizona State University (ASU) and University of Arizona (U of A) employee-owner fans, but we never play favorites when it comes to the work. We are working at both schools this summer.

We are working on the installation of more than 400 LF of 12" water main at the ASU Tempe Campus on College Avenue from Lemon Street to Apache Boulevard. This work is being completed as part of our **Underground Utility Construction JOC for the City of Tempe**. [Visit our website for more information and photos.](#)

Achen-Gardner self-performed the UV CIPP rehabilitation of more than 7,000 LF of 8" sewer line at multiple locations on the U of A campus, including in front of Arizona Stadium. This work was completed as part of our **Wastewater Conveyance JOC for Pima County**. [Visit our website for more information and photos.](#)

AZ APWA Award for Glendale WAS Line Rehabilitation

Achen-Gardner is honored to have won the 2022 Public Works Project of the Year Award from the Arizona Chapter American Public Works Association (AZ APWA) for our **Arrowhead Ranch Water Reclamation Facility WAS Line Rehabilitation CMAR** project. Congratulations to the project team which includes the City of Glendale (Owner) and GHD (Design Engineer). [Visit our website for more information and photos.](#)

We will all be accepting the award at the **AZ APWA Statewide Conference** at the El Conquistador Tucson August 3-5. Make sure to visit us at our booth (#28) to have fun and get some useful swag.

School's Out for Summer!

We are working in front of Cactus Shadows High School to replace more than 7,200 LF of water line (12") and 31 valves (6", 8", and 12") on Dove Valley Road as part of our **Dove Valley Water Line: 56th to 64th Street CMAR** project. We are working with the City of Scottsdale's Public Information Officer to communicate and address any questions or concerns as we know it is critical to complete this work during the school's 2022 summer break to minimize impacts. [Visit our website for more information and photos.](#)

Beat the Heat

We are proud to be a Drink Cart Sponsor for the **Arizona Chapter of the National Utility Contractors Association (AZUCA) Summer Golf Tournament**. Join us on July 9th and cool off in the pines at the beautiful Continental Golf Club in Flagstaff. [Visit the AZUCA website to register.](#)

Project Engineer

Achen-Gardner is proud to announce the addition of **Omar Terrazas as a Project Engineer**. Omar grew up around construction and has worked in the industry for 17 years. He has worked his way up, learning by doing, and has a wealth of knowledge to show for it. Welcome to the team, Omar!

★ **HAPPY** ★
FOURTH OF JULY

New Project

We have recently been selected to provide pre-construction and construction services for the **Kortsen Sewer Relief CMAR** project for the City of Casa Grande. We are looking forward to working on this exciting project!

Achen-Gardner is a local, employee-owned firm and a member of a nationwide family of contractors, of which Emery Sapp & Sons (ESS) is the flagship.

50 Years of SuccESS

ESS is a 100% employee-owned multi-faceted contractor who thrives on delivering complex heavy civil projects. Achen-Gardner would like to congratulate them on their 50th anniversary in 2022.
