550 S. 79th Street, Chandler, AZ 85226 | 2425 W. Wave Hill Court, Tucson, AZ 85705

Work Begins on Valencia Road Improvements

Achen-Gardner crews constructing one of six box culverts as a part of our Valencia Road (Mark Road to Wade Road) Design-Bid-Build project in Pima County. The new box culverts will improve drainage along the corridor.

This project consists of widening 2.5 miles of Valencia Road between Mark Road and Wade Road in order to improve safety, reduce congestion, improve operations and increase mobility. Specifically the project will widen the existing roadway from two lanes to a four lane median divided roadway with a pedestrian pathway. To improve drainage along the corridor the improved roadway will be elevated above the floodplain and six box culverts will be constructed.
