SPRINGTIME CONSTRUCTION

While Spring Training and March Madness are in full effect, Achen-Gardner is hard at work improving roadways and wet utility infrastructure throughout Arizona. Here are a couple of projects we are currently working on during this beautiful time of year.

56th Street Improvements CMAR

The scope of work on the 56th Street Improvements CMAR for the Town of Paradise Valley consists of the reconstruction of 56th Street between McDonald Drive to Lincoln Drive and includes removals, grading, 6,817 square yards of asphalt paving, concrete flatwork, sewer modifications, pathway lighting, 11,930 square feet of roadway pavers, traffic signals, signing, striping, and custom aesthetic site amenities providing a pedestrian node with shade, pavers, and seating. Water Utility Pipeline & Infrastructure JOC

The Water Utility Pipeline & Infrastructure JOC for the City of Buckeye includes water, sewer, reclaimed water, and storm drain pipeline construction. Our current Job Order under construction includes 36" jack & bores across SR85, an APS waterline, and the BWCDD Canal, installation of 8,860 LF of 16" waterline, 8 each 16" valves, and 9 each fire hydrants. The alignment of the waterline is along MC 85 Highway between State Route 85 and Turner Road. [\[See more photos on our Facebook page\]](#) [\[See project information and photos on our website\]](#)
