

# ACHEN-GARDNER CONSTRUCTION

JANUARY 2024 NEWSLETTER

## Celebrating Build Arizona Awards

Achen-Gardner Construction is honored to have won a Build Arizona Award from the Arizona Chapter Associated General Contractors of America for our **Carefree Water Consolidation CMAR** project. This project was constructed for the Town of Carefree and the award was in the New Construction - Public, Heavy, \$10-\$50 Million category. Members of the project team accepted the award at the Annual Dinner and Build Arizona Awards Banquet on Friday, January 26th. This project allowed the Town of Carefree to expand Carefree Water services to more than 20% of Carefree residents who were previously being furnished potable water by the Town of Cave Creek. It was the largest utility project that Carefree Water has ever constructed and the Town's first use of the Construction Manager at Risk delivery method. [Visit our website for more project information and photos.](#)

[Check out a story in the Sonoran News about this and another Town of Carefree award.](#)

Congratulations Abi Goode (Project Manager) for being named YCF Member of the Year.

We installed more than 24,000 LF of waterline and 40 valves.

Construction of the new 300,000 gallon concrete reservoir.

# Full Circle Moment

## Raintree Drive Extension Project: Scottsdale Road to Hayden Road CMAR

This project improved traffic flow, pedestrian safety, and drainage between Scottsdale Road and Hayden Road, simplifying traffic in the Scottsdale Airport area. The roundabouts and additional roadway improvements simplify traffic and improve drainage in the Scottsdale Airport area. [Visit our website for more project information and photos.](#)

# New Year, New Manholes

## Sewer Main and Manholes JOC

We are installing eight 60” Armorock manholes that are 10 to 14 feet in depth at various locations adjacent to the Chandler Fashion Center. We are using the Armorock manhole product which is a prefabricated complete manhole made of polymer. [Visit our website for more project information and photos.](#)

## Congratulations

Achen-Gardner is proud to announce that our Estimating Manager, Andy Mortensen is now also our Assistant Vice President. Andy has been with Achen-Gardner for more than 10 years. His experience and hard work have contributed greatly to our success.

# Construction Safety Excellence Award

Achen-Gardner Construction is proud to have won the Ben Patton Luster Construction Safety Excellence Award from the Arizona Transportation Builders Association (ATB). This award recognizes a companywide commitment to safety and creative solutions to safety challenges.

One of the most unique safety challenges in 2023 was our Val Vista Transmission Main Priority 4 CMAR project for the City of Phoenix. This work was featured in our award submittal and we are proud of our safety achievements on this and all of our projects. [Visit our website for more project information and photos.](#)

## Chandler 100

Achen-Gardner is proud to be recognized as one of the top businesses in Chandler, AZ, by the Chandler Chamber. The Chandler 100 honors and celebrates the top businesses that help make Chandler a prosperous and community-oriented city. [Check out Achen-Gardner at spot 33 in the Chandler 100 magazine.](#)
