Raising the Walls

The sides are up on our new 300,000 gallon reservoir for the Town of Carefree as part of our **Carefree Water Consolidation CMAR** project. The walls of the prestressed wire-wrapped concrete tank were cast on-site and set in place with a crane. Tank construction included 13 side panels weighing 16,000 lbs each. [Visit our website for more information and photos.](#)

Roundabout Taking Shape

Achen-Gardner concrete crews recently completed the curb to form the new roundabout at Redfield Road and 76th Place as part of our Raintree Drive Extension CMAR project for the City of Scottsdale. We are accommodating access for all of the businesses in this area during construction. [Visit our website for more project information and photos.](#)

Hospital Sewer Rehab

We recently self-performed the UV CIPP rehabilitation of sewer line next to the Northwest Medical Center. We also self-performed the management, setup, and operation of bypass using our pumps and piping. We accommodated access for emergency medical services as we rehabilitated the pipeline in front of the entrance to the ER. This work was completed as part of our **Wastewater Conveyance JOC** for Pima County. [Visit our website for more information and photos.](#)

New Projects

We were recently selected to provide pre-construction and construction services for the following projects:

- **Canoa Ranch Sewer Extension CMAR (Pima County)**
- **Gainey Village Casitas Waterline Replacement CMAR (City of Scottsdale)**

We look forward to working on these exciting projects.

Generating Success

We are working with Ludvik Electric to install a new natural gas powered generator as part of the **Arrowhead Water Production Facility Rehabilitation DBB** project for the City of Chandler. [Visit our website for more information and photos.](#)

Finishing Touch

We recently self-performed rubberized asphalt paving on our **Waterline Replacement - Clark, University, and Daley Park Neighborhoods CMAR** project for the City of Tempe. [Visit our website for more information and photos.](#)

REMEMBER
AND HONOR
THOSE WHO
SERVED

Memorial Day
2022

Achen-Gardner is a local, employee-owned firm and a member of the Emery Sapp & Sons (ESS) family of contractors.

Full Speed Ahead

ESS completed the highly successful **I-49 McDonald County** project for the Missouri Department of Transportation which included the construction of five miles of new interstate. [Visit ESS's website for more project information and a highlight video.](#)
